

EnergyGuard™

Industry specific protection that you need.

Nothing more, nothing less.

Our team has over 25 years of experience in the oil & gas industry and, understands the complexity of managing risks in the field.

We are a Texas based independent insurance agency, serving the energy sector statewide.

With our easy on-boarding process, and personalized claim management, we will be with you every step of the way.

We've got you covered.

Call Nolasko today.

The demands of today's oil & gas industry requires as much expertise from your insurance specialist as your customers demand from you. Our EnergyGuard™ line of insurance solutions makes it easy to manage risk from upstream to midstream, from operators & service companies to equipment manufacturers and transport companies.
